Lewis and Clark were involved in the business of "Westward Expansion" as were many of their European predecessors. Our meeting will focus on one European settler who came to America and the Native People who were here for thousands of years before his arrival.

Featuring a talk by Chief Robert Red Hawk Ruth, Chief of the Lenape Indians speaking on the Lenape Indians' relationship to European settlers in general and to William Penn in particular. **"WE ARE STILL HERE"**

Followed by a talk from Douglas Miller, Historic Site Administrator for Pennsbury Manor speaking on William Penn's relationship with the Lenape and his vision for a Frame of Government for Pennsylvania.

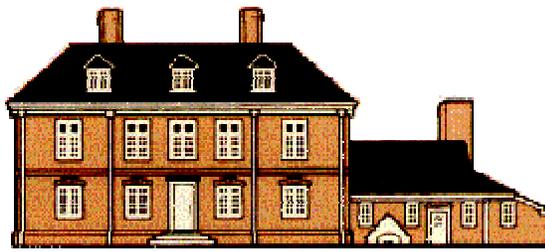

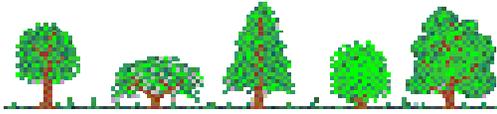

Immediately follow these presentations, chapter members will be conducted on a tour though Pennsbury Manor.

You don't want to miss this special event so make plans now to attend. Cost is \$6.00
